JOIN US FOR THE ALL FUN-INCLUSIVE WEDDING OF ZITLALIC & ALEXANDER AT HOTEL XCARET MÉXICO

A day as special as this, shared with the people we love most, deserves a setting just as meaningful. Surrounded by the lush jungle of the Riviera Maya and the turquoise waters of the Caribbean Sea, Hotel Xcaret México is a stunning 5-diamond eco-resort rooted in nature, culture, and ancestral spirit.

Designed around five "Casas" inspired by the Mayan elements — Earth, Wind, Water, Fire, and Spiral — the resort offers beautiful suites, exceptional restaurants, and exclusive access to eight Xcaret adventure parks, with transportation included.

As a bride with a Mayan name, Zitlalic, this place holds an even deeper meaning for us. It's not just beautiful — it's symbolic. It honors the strength, heritage, and cosmic beauty of our ancestors and invites everyone to be part of something greater than ourselves.

Even more special: March 20 & 21 mark a sacred moment in Mayan tradition — the spring equinox, a celebration of light, balance, and new beginnings. To honor this, we've planned a full-day group activity the day after our wedding (optional): a visit to the pyramids of Chichén Itzá, a swim in a cenote, and a traditional Yucatecan lunch — a meaningful way to continue the celebration together. This experience is included in your stay for you to enjoy fully.

Their exclusive All-Fun Inclusive concept combines gourmet cuisine, cultural rituals, natural wonders, and unforgettable entertainment, creating the perfect setting for a one-of-a-kind wedding weekend.

We're thrilled to share this magical place and meaningful experience with you all.
